Announcements

Fundraising for Africa PLUS Bake Sale: Support Kay and John West and their team going to Africa in October. You will have an opportunity to support their efforts in two ways--There will be a donation bucket in the back of the church for the next month PLUS a bake sale on **July 28** (because who doesn't like a bake sale?! Yum!) Any donations will go toward buying food and hygiene products for families in need. Help by bringing bake goods that Sunday morning or plan on taking some home. If treats aren't your thing or you, sadly, miss that Sunday, you can still support the team with a donation. Checks can be made out to "Swaziserve." See Tori if you have any questions.

Election Info: Bridgeway will be a polling location on Tuesday, July 30. Building will be open from 6 AM through 7 PM.

Prayer Needs

Don Jones: *Update--Don has moved to a short-term care facility where he will need to work on his movement and stability. He's also on some medication to help with his other issues. Joy greatly appreciates your prayers. We will let you know about visitation soon, as they do not know his physical therapy schedule at this time. Please continue to pray for Don, Joy, and the doctors. We pray that Don may feel some relief and grow stronger.*

Saune Family: Our missionary family is presently in Ayacucho and in need of our prayers. Ruben, grandson Joshua, Missy, and Joshua have all been experiencing a series of serious health issues. Little Joshua is very sick with a respiratory infection. Joshua has been experiencing nausea, likely caused by low sodium. This was treated and resulted in raising his blood pressure to dangerous levels. They've been under a doctor's care but there are more tests to be done. It has been a frightening time. There is a memorial service for Joshua's brothers on July 23 and they plan to return to Phoenix on July 29. *No update but please continue to pray for everyone's health and their ability to return home as planned.*

To increase communication with the congregation, the elders will be providing updates from their meetings--items discussed, decisions made, etc. Use the link below or pick up a hard copy.

If you'd like to share some comments and/or encouragements with the elders, please look for the **Elder Communication** card in the back of the church.
