Announcements

Ladies' Ministry Survey & Meeting: Ladies, we'd love your feedback as we begin planning future Women's Ministry activities and opportunities. Please take a few minutes to complete the survey available at the back of the church and return it to the black box or hand to Sara. You may also take photos of the completed survey and email or text them to Sara. Your input will help us better understand the needs, interests, and desires of the women in our church. Thank you for sharing your thoughts! Click [HERE](#) for a link to the survey.
There will be a meeting on July 26 after church for those interested in being a part of Women's Ministry team and be a part of the development of the ministry.
