In Ephesians chapter 4, we've seen that God has given spiritual gifts to every believer. Believers are then to serve, and the body of Christ is built up. A mature body is God's goal for the church. In our text today, we learn of the negative aspects of a lack of maturity, and then we see the positive characteristics of maturity.

NEGATIVE (v. 14)

1. Immaturity
2. Instability
3. Gullibility

POSITIVE (VV. 15-16)

1. Integrity
2. Loving Spirit
3. Cooperation
