As people were bringing their children to be blessed by Jesus, his disciples viewed them as a distraction and began to send them away. Jesus was grieved and called the children back. He rebuked the disciples and then spoke about the value of children and their coming to Him. In this we see that:

1st—Jesus **L**_____ children.

2nd—Jesus affirms and respects the **P**_____ and **S**_____ of children.

What was it about a child that Jesus valued so much?

1. There is the child's **H**_____.
2. There is the child's **O**_____.
3. There is the child's **T**_____.
4. There is the child's **C**_____.
5. Children are **L**_____.
6. Children have a **S**_____ **M**_____.
7. Children have a great **I**_____.
8. Children are **A**_____.
