Like a father writing to his own children, the Apostle Paul exhorted his readers to give very careful attention to what he was saying about living as a child of God. He does so with a series of three contrasts.

1. Do not live as U _____ people but as W _____ (vv. 15-16).

2. Do not be foolish, but U _____ what the Lord's W _____ is. (v. 17)

3. Do not get D _____ with wine, but be F _____ with the Spirit (v. 18).
