

The Reconciling Gospel

Text: 2 Corinthians 5:17-21

Elder Steve Kelly • May 22, 2022

There is one thing that we do on earth that we will not do in heaven—and that is to proclaim the saving Gospel of Reconciliation to sinners who are under God’s decree of eternal punishment. He has given us both the ministry and the word of reconciliation. That is why the church is in the world.

These verses of Scripture define like nowhere else in the Bible our solemn responsibility as His unique appointed ambassadors of believers to a world of dying sinners under God’s condemning judgment. That is our solemn mandate and the critical reason why God has left us here.

Incredibly, God has sovereignly chosen to make his appeal to the world through us.

Foundational points and background for understanding this text.

The Ministry of Reconciliation has several component parts:

1. Reconciliation is by the _____ of God.
2. Reconciliation is by the act of _____.
3. Reconciliation is by the _____ of faith.
4. Reconciliation is by the work of _____.
