

Be Alert!

Text: Mark 13:14-37

Pastor Gregg Cantelmo • May 29, 2022

The believers who first read Mark's Gospel were being persecuted and were tempted to give up and compromise their witness. Mark's version of the Olivet Discourse (Matt. 24-25) was just the encouragement they needed to remain faithful. It focuses on the last days leading up to the Lord's return to earth. The emphasis in this section is on knowing and watching.

Signs of the Destruction of the Temple (vv. 14-23)

The Second Coming of the Lord (vv. 24-27)

The Timing of the End (vv. 28-37)
