

Solomon On Time

Text: Ecclesiastes

Pastor Gregg Cantelmo • June 8, 2025

Ecclesiastes is not a pessimistic book but a realistic one. Solomon looked at life and death, success and failure, time and events, and wrote some wise counsel about how to live a meaningful life in a world of contradictions and seeming futility. Today we will look at four positive truths.

1. True **E**_____ comes from following God and staying connected to Him. (2:24-25)
2. God's **T**_____ is perfect. (3:1-8)
3. **S**_____ in life comes from God. (3:13)
4. All our **D**_____ are in God's hands. (9:1)
