Joseph's interpretation (vv. 14-32)

Joseph's Advice (vv. 33-36)

Joseph's Advancement (vv. 37-57)

Seven Truths Observed:

1st—God has a **P**_____ for every life.

2nd—Such a life called for **D**_____ as a means of preparation.

3rd—The duty of life is **F**_____.

4th—God will **P**_____ to the end what He has **B**_____.

5th—God is **G**_____ when others are faithfully served.

6th—God **P**_____ Himself to those who trust Him.
