

(be)Attitudes: *THE MEANING OF MOURNING*, Matt. 5:4

Pastor Gregg Cantelmo

The second Beatitude is the logical step after we acknowledge our spiritual bankruptcy (poor in spirit). This is where our emotions respond to what we know. We see not only ourselves, but also our sin the way God sees it, and we seek to treat it the way God does.

Paradox:

What it doesn't mean:

Mournful = S _____ over S _____.

RESULT:

What does this comfort consist of?

1. The comfort of **F**_____.
2. The comfort of the **H**_____ **S**_____.
3. The comfort of **S**_____.
