Why “good” people suffer is one of the major objections to Christianity in many individuals’ minds. To suffer for Christ is, for the Christian, to be expected: Philippians 1:29, Philippians 3:10, I Peter 4:16. But for the sinless, perfect Son of God who “**suffered under Pontius Pilate, was crucified, died and was buried,**” this is a contradiction of cosmic proportions.

1. Jesus, the Suffering Savior:

Suffered at the **B** _____ of His life.
