...the third day He rose again from the dead.

“Do you really believe that what you believe is really real?” Del Tackett poses this question in his series *The Truth Project*. Is the resurrection of Jesus Christ *really* real?

1. What is the **A** _____, the resurrection?

U _____, **T** _____.

2. Why is the resurrection a **C** _____ of the Christian faith?

3. Of most importance is the **W** _____, rather than the what and why.

He descended into hell...

What is this all about?

It does not mean Jesus:

S _____ **T** _____ **W** _____ **I** _____ **H** _____!

Consider:

1. On the cross, Jesus said, “It is **F** _____.”

2. On the cross, Jesus said, “**F** _____, into Thy hands I commend my spirit.”

3. On the cross, Jesus said, “Verily I say unto thee, today shalt thou be with Me in **P** _____.”

4. There are three different words in Scripture for HELL:

a. **S** _____ in the Old Testament

b. **H** _____ in the New Testament

c. **G** _____ in the New Testament

5. The Creed/s, though mainly written to refute error, are not **I** _____.

6. The phrase, “descended into hell,” is not in the “*Old Roman Creed*” from which it was written.

7. It is not in the “*Nicene Creed*” which came after it.
