We know that Jesus died for our sins and rose from the dead for our salvation, but where does the ascension fit in and what does it mean for our spiritual life here and in the life to come?

The truth of Christ's ascension answers:

What happened to Jesus?

Where did He go?

What is He doing now?

1. He Ascended into Heaven...

- Signaled that the days of His **S**_____ were over.
- He is now liberated from all time and space **L**_____.
- He sent the **H**_____ **S**_____ to us (John 16:7).

2. He Sits at the Father's Right Hand.

- He has a **P**_____ place in heaven.
- His work of redemption is now **C**_____.
- He is now in the place of supreme and highest **H**_____.

3. He Intercedes for the Saints

- He **K**_____ what we are going through.
- He **I**_____ for us with the Father.
- He speaks to the Father in our **D**_____ (1 John 2:1).

His ascension guarantees our Christian **D**_____.
