

Worship

Text: **Ephesians 5:18-19**

“Praise will revolutionize your life. There’s no doubt about it. It will reorient your thinking, taking your mind off yourself and placing it firmly on God, where it belongs. Rehearsing His mercies will open your eyes to them, and confessing His name as the source behind all your blessings will magnify your blessings enormously. Praise is a radical step in a life-changing direction”.
