The B-I-B-L-E, (actually a book of 66 books), is the preeminent history book, HIS STORY. The bible is THE autobiography. It is also THE book about mankind's past, present, and future. About 40 authors while in Asia, Europe, and Africa- over a period of 1,500 years wrote the bible using Hebrew, Aramaic, and Greek. The American author **Mark Twain** said this about the bible: "It ain't those parts of the Bible that I can't understand that bothers me, it is the parts that I do understand."
