

## **The Beginning of the End**

Genesis 47

Pastor Gregg Cantelmo • July 21, 2024

As much as Joseph is the main human protagonist in this story, much more than Joseph, God Himself, in His providence, is the main character throughout the whole story of Joseph. Today we look at a passage in which the family of Jacob settles in the land of Goshen. And we sense the beginning of the end of this part of the history of Israel. Let's see together what happens.

1. **Jacob Appears before Pharaoh** (vv. 1-12)

2. **Pharaoh Prospers During the Famine** (vv. 13-26)

3. **Jacob Nears the End of His Life** (vv. 27-31)
