WORSHIP, verb (Noah Webster's 1828 Dictionary)

1. To adore; to pay divine honors to; to reverence with supreme respect and veneration. Thou shalt *worship* no other God. Exodus 34:14.
2. To respect; to honor; to treat with civil reverence.

Psalms 100

Make a loud shout to Yahweh, all the earth. Serve Yahweh with gladness; come before Him with joyful sons. Know that Yahweh, He is God; it is He who has made us, and not we ourselves; We are His people and the sheep of His pasture. Enter His gates with thanksgiving and His courts with praise. Give thanks to Him, bless His name. For Yahweh is good; His HESED endures forever and His faithfulness, generation unto generation.

Old Testament Psalms 95:6 "Come, let us _____ and bow down..."

New Testament John 4:23 "...true _____ will _____ the Father is spirit and in truth: for such people the Father seeks to be His _____."

Practical Application for us today Romans 12:1 "...present your bodies as a sacrifice- living, holy, and pleasing to God, which is your spiritual service of _____."
