

## The Bible and the Beginning of Life

Text: Selected

The Bible tells us repeatedly in His Word how all children are a gift from God. Every single life, every single child, is a reward and blessing (Psalm 127:3). We also see that God is involved loving in the development of children in the womb (Psalm 139:13-16). We will look today at six passages in the Bible that indicate an unborn child should be thought of and protected as a person from the moment of conception.

- Luke 1:41-44
- Psalm 51:5
- Genesis 25:22-23
- Exodus 21:22-25
- Psalm 139:13-18
- Luke 1:35

A Note on Forgiveness (Psalm 103:10-14)
