Ecclesiastes 3

Life without God is boring, depressing and meaningless. The book of Ecclesiastes reflects that reality as man searches for significance. Solomon concludes that life is worth living if you put God first and obey His Word. In chapter three, we discover three directions to look.

1st – Look Up: God orders T_____ (vv. 1-8).

2nd – Look Within: E_____ is in your heart (vv. 9-14).

Solomon asks if all our labor is really worth it. He then answers:

1. Life is a **G**_____ from God (v. 10).
2. Life is linked to **E**_____ (v. 11).
3. Life can be enjoyable **N**_____ (vv. 12-13).

3rd – Look Ahead: D_____ is coming to all (vv. 15-22)
