

## **Cure for Boredom**

Text: Malachi 1:6-2:9

Pastor Gregg Cantelmo • September 4, 2022

The times were tough, and the people blamed the situation on God. But their own sins had created their problems, and God was willing to bless if they were willing to repent. Beware when you get bored with your blessings and start taking for granted the privilege of ministry.

1. Unacceptable worship (vv. 1:6-10, 12-14)

2. Acceptable worship (v. 1:11)

3. A warning for the priest (vv. 2:1-9)
