

What Church People Should Look Like

1 Thessalonians 1

Pastor Gregg Cantelmo • September 8, 2024

Paul's description of the believers in Thessalonica suggest that they typify an ideal congregation. God had been working in their lives and they were receptive to His nurture and guidance. Paul was excited to share his affirmation of their spiritual growth. Ask yourself the following questions.

1. **Are others thankful for me?** (vv. 1-3)

2. **Is God's power seen in my life?** (vv. 5-7)

3. **Do I make it easier for others to talk about Jesus?**
(vv. 8-10)
