

Malachi's Marriage Maxims

Text: Malachi 2:15-16

Pastor Gregg Cantelmo • September 18, 2022

As God addresses Israel's unfaithfulness He speaks to the covenant of marriage (2:14). The marriage covenant involves the husband and the wife and God. He has always been faithful to us His bride. And He expects us to be faithful to Him and to our spouse as well. He speaks to the man and says:

1. Look at your wife as the wife of your youth.
2. Treat your wife as your companion.
3. Your marriage is a covenant relationship.
4. God's design in marriage is $1 + 1 = 1$.
5. The result of a godly marriage is godly children.
6. All of the above are dealt with in the inner man—the heart.
