

## **Responding to Life's Pressures**

1 Thessalonians 3

Pastor Gregg Cantelmo • September 29, 2024

The new believers in Thessalonica desperately needed Paul's ministry, but he was not able to return to help them so he did what he could. First, he sent Timothy to minister to the church, then he prayed for them because prayer is not limited by time or place, and finally Paul encouraged them by writing this letter to them. His great concern was not their comfort or safety but their faith, their love, and their obedience to the Lord.

**Inevitability of Persecution and Hardship** (vv. 1-5)

**Strength in Pain** (vv. 6-10)

**Prayer for Increasing Strength** (vv. 11-13)
