Text: Philippians 4:10-20

Pastor Gregg Cantelmo • October 15, 2023

As Paul concludes his letter to the Philippians, he encourages them by reminding them of God's Providence. He goes on to show that God provides the power we need for life and service and the material needs we have as well. Paul did not have a wealthy organization giving him support, but he did have a great God who enabled generous friends to meet his needs. Paul saw their gift as a fragrant sacrifice to the Lord (v. 18), And he rejoiced in the Lord for what they did.

Contentment=

1. **THE OVERRULING PROVIDENCE OF GOD** (v. 10)

2. **THE UNFAILING POWER OF GOD** (vv. 11-13)

3. **THE UNCHANGING PROMISE OF GOD** (vv. 14-20)
