

Why Four Gospels? — John

Text: Gospel of John

Pastor Gregg Cantelmo • November 20, 2022

John's gospel is not always chronological like Luke, yet it is logical and highly theological. From the manifestation of the Word in chapter 1, to the post-resurrection appearance to the disciples in chapter 21, we find John emphasizing over and over again the excellence and eternity of the Son of God.

Purpose: (John 20:30-31)

In John's prologue it is made clear that Jesus is God!

1. **His Names express deity.** (v.1)
2. **The Eternality of the 2nd person of the Godhead.** (v.2)
3. **The Creator of all things.** (vv. 3,10)
4. **The Life-Giver.** (vv. 4,12)
5. **The Light of Men.** (vv. 5-10)
6. **The Only Begotten Son.** (v. 14,18)
7. **The Incarnation.** (v. 14)
