

Which Way? Part 2

Series: Sermon on the Mount, Matthew 7:15-20

Pastor Gregg Cantelmo

Everything Jesus preached called for a decision. As He comes to the end of the Sermon on the Mount, He challenges us to choose whom we will follow and the path we will take. Just as there are false paths and gates, there are also misleading preachers and teachers whom Jesus now warns against.

Only Two Choices:

Divine Accomplishment or Human Achievement

Importance of Perspective: Psalm 73

“Strive” (Luke 13:23-24) Gk. = *agonizomai*

Jesus now says, *“As you strive to enter that narrow gate and walk that narrow way that leads to life, beware of those who would mislead you,”* vv. 15-20.
