In the midst of the seventh chapter of Daniel, there is a record of a vision Daniel had of the Lord Jesus Christ. Our verses today are unique and present a vision of Jesus which is not found anywhere else in the Old Testament.

**Prophecies of Jesus in Old Testament** (Isa. 7:14; Mic. 5:2; Hos. 11:1)

**The Theme of Daniel:**

**Jesus, the Son of Man:**

1<sup>st</sup> – Ideal title for combining the two chief things that needed to be said about Jesus' person, that He was fully **M**\_\_\_\_\_ and fully **G**\_\_\_\_\_.

2<sup>nd</sup> – The title is less **E**\_\_\_\_\_ and Jesus could then infuse it with His own meaning.

**Four key truths we learn from this title:**

1. Jesus used it to teach His **P**\_\_\_\_\_ - **E**\_\_\_\_\_.
2. Jesus used it to teach that He must **S**\_\_\_\_\_.
3. Jesus used it to teach that a person must be personally **J**\_\_\_\_\_ to Him to be saved.
4. Jesus used it to teach about the **F**\_\_\_\_\_ **J**\_\_\_\_\_.
